

Laurea Magistralis "Molecular Biology and Genetics"

Academic year 2016-2017 - 2nd year - 1st semester

Room A - Palazzo Genetica - Via Ferrata 1

Room "Falaschi" - IGM-CNR, Polo Cravino, Via Ferrata

Room B4 – Polo Cravino - Via Ferrata, 1

Room E – Cascina Cravino, via Bassi 21

Room B - Palazzo Botta 2 - Via Ferrata 9

Classes will start on October 10th 2016

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
9-10	Developmental Biology			Developmental Biology	Cellular Biochemistry
10-11	Developmental Biology			Developmental Biology	Cellular Biochemistry
11-12	Cellular Biochemistry		Plant Molecular Biology and Biotechnology	Plant Molecular Biology and Biotechnology	
12-13	Cellular Biochemistry		Plant Molecular Biology and Biotechnology	Plant Molecular Biology and Biotechnology	
14-16			Advanced Microscopy	Advanced Microscopy	

Cellular Biochemistry – Proff. Giampaolo Minetti, Lars Kaestner - Monday, Friday: room "Falaschi"

Developmental Biology – Prof. Carlo Alberto Redi – Monday, room "Falaschi"; Thursday, room B4

Plant Molecular Biology and Biotechnology – Proff. Alma Balestrazzi, Jorge Paiva - Wednesday, room "Falaschi"; Thursday, Room "Buzzati-Traverso"

Advanced Microscopy – Prof. Marco Biggiogera – Wednesday, room A; Thursday, room B

Molecular Genetics: The course will be held in the second semester.
